

“Improve Life, Serve Community”

January 3rd, 2024

Video Submission: **“How Does Electricity Impact Your Everyday Life?”**

To Whom It May Concern:

Your local electric cooperative - Canadian Valley Electric Cooperative (CVEC) in Seminole, in association with our statewide organization OAEC, is offering two current 8th graders the opportunity to submit videos for the chance to attend a great camp this summer at no cost to the students. We are encouraging students to partner and submit one, 3-5min video entry as a two-person team. One team will be selected as the winners.

“How Does Electricity Impact Your Everyday Life

The students are being asked to describe how electricity impacts their everyday life in a 3-5min video. (*Please, not over 5min*) We have seen great support and desire to participate/attend Summer Camp if a friend is there with them along the way. Please encourage all your students to submit their videos via e-mail to:

Kaci Dennis
Communications Coordinator
11277 N Hwy 99
Seminole, OK. 74868
Email: kdennis@mycvec.coop

Please make sure each student completes the enclosed cover sheet completely and they are submitted with the video. Students are asked to leave their names off the actual video so our judges may maintain anonymity. The videos must be **received** by midnight Friday, April 5th, 2024. **Please forward this to the appropriate staff at your school.** We hope your students will participate in this opportunity and get the chance to attend a great camp where they will learn more about leadership, networking, energy, and the Cooperative Way! If you have any questions, please contact me at kdennis@mycvec.coop or (405) 230-1421. Please follow us on Facebook and Instagram or visit our website for information about upcoming event(s), for more info on Energy Camp please visit <https://www.mycvec.coop/youth-programs>
